(b) The contracting officer shall insert the clause at 52.219-12, Special 8(a) Subcontract Conditions, in contracts between the SBA and its 8(a) contractor when the acquisition is accomplished using the procedures of 19.811-1(a) and (b).

(c) The contracting officer shall insert the clause at 52.219-17, Section 8(a) Award, in competitive solicitations and contracts when the acquisition is accomplished using the procedures of 19.805 and in sole source awards which utilize the alternative procedure in 19.811-1(c).

(d) The contracting officer shall insert the clause at 52.219-18, Notification of Competition Limited to Eligible 8(a) Concerns, in competitive solicitations and contracts when the acquisition is accomplished using the procedures of 19.805.

(1) The clause at 52.219-18 with its Alternate I will be used when competition is to be limited to 8(a) concerns within one or more specific SBA districts pursuant to 19.804-2.

(2) The clause at 52.219-18 with its Alternate II will be used when the acquisition is for a product in a class for which the Small Business Administration has waived the nonmanufacturer rule (see 19.102(f) (4) and (5)).

19.812 Contract administration.

(a) The contracting officer shall assign contract administration functions, as required, based on the location of the 8(a) contractor (see DoD Directory of Contract Administration Services Components (DoD 4105.59-H)).

(b) The agency shall distribute copies of the contract(s) in accordance with part 4. All contracts and modifications, if any, shall be distributed to both the SBA and the firm in accordance with the timeframes set forth in 4.201.

(c) To the extent consistent with the contracting activity's capability and resources, 8(a) contractors furnishing requirements shall be afforded production and technical assistance, including, when appropriate, identification of causes of deficiencies in their products and suggested corrective action to make such products acceptable.

(d) An 8(a) contract, whether in the base or an option year, must be terminated for convenience if the 8(a) concern to which it was awarded transfers ownership or control of the firm or if the contract is transferred or novated for any reason to another firm, unless the Administrator of the SBA waives the requirement for contract termination (13 CFR 124.515). The Administrator may waive the termination requirement only if certain conditions exist. Moreover, a waiver of the requirement for termination is permitted only if the 8(a) firm's request for waiver is made to the SBA prior to the actual relinquishment of ownership or control, except in the case of death or incapacity where the waiver must be submitted within 60 days after such an occurrence. The clauses in the contract entitled "Special 8(a) Contract Conditions" and "Special 8(a) Subcontract Conditions" require the SBA and the 8(a) subcontractor to notify the contracting officer when ownership of the firm is being transferred. When the

contracting officer receives information that an 8(a) contractor is planning to transfer ownership or control to another firm, the contracting officer must take action immediately to preserve the option of waiving the termination requirement. The contracting officer should determine the timing of the proposed transfer and its effect on contract performance and mission support. If the contracting officer determines that the SBA does not intend to waive the termination requirement, and termination of the contract would severely impair attainment of the agency's program objectives or mission, the contracting officer should immediately notify the SBA in writing that the agency is requesting a waiver. Within 15 business days thereafter, or such longer period as agreed to by the agency and the SBA, the agency head must either confirm or withdraw the request for waiver. Unless a waiver is approved by the SBA, the contracting officer must terminate the contract for convenience upon receipt of a written request by the SBA. This requirement for a convenience termination does not affect the Government's right to terminate for default if the cause for termination of an 8(a) contract is other than the transfer of ownership or control.
